

# PHOTOGRAPHY COMPETITION “DISCOVER ME! – 2019”- Deadline 01.10.2019

Photo: P.Loorits, PHOTOGRAPHY COMPETITION “DISCOVER ME! grand prix 2016

The Vapramäe-Vellavere-Vitipalu Foundation invites **Latvian wildlife** interested photographers to participate in the photography competition “Discover Me!”, organised by Estonia! Professionals and amateurs as well as young photographers are all welcome to participate in the competition. The photographs must be taken in Estonia or Latvia.

## It is possible to participate in three different age groups:

A – Children up to 11 years old

B – Young people aged 12-16

C – 17 years and older

## THE AIM OF THE COMPETITION

The aim of the photography competition “**Discover Me!**” is to discover, photograph and thus introduce the nature’s smaller living or nonliving things or other interesting phenomena, whether they are insects, birds, animals, plants, mushrooms, berries, leaves, weather phenomena, or something totally unusual. Special things can also be found in the landscape. The key is that what you are photographing requires a special discovery or a **special story**.

Each age group will be awarded with three prizes. The jury will select prizes for photographs taken at the Elva Recreation Area and VVV hiking trails, for the best winter photo and other special awards.

Nature photographers Arne Ader and Urmas Tartes are the members of the jury.
